Dear Sponsor,

The Board of Executives would like to take this opportunity to thank you for your past sponsorship of the Northern California Association of Neonatal Nurses (NCANN), a chapter of the National Association of Neonatal Nurses. Our chapter has a rich heritage of providing a professional forum for neonatal nurses from around the Bay Area and Central Valley. Your sponsorship of evening events and our daylong conference have been most appreciated. Our members welcome the opportunity to learn about new products and ask questions.

The NCANN 2009 calendar began with an evening event at Kaiser Oakland with Linda Lefrak speaking on "Infection Hot Topics". She provided a lot of new information on current infection and infection control measures. The next meeting was held at Oakland Children's where Dr. Bob Wallerstein and Donna Wallerstein presented "Advances in Perinatal Genetics", an excellent program on common genetic problems and new testing modalities. And of course we can't forget the final event for 2009, our long time tradition, the Holiday Gala in San Francisco at the San Francisco Marriott. A huge turnout, toy drive, raffle and lots of fine Bay Area cuisine were enjoyed. Diane Jordan provided an evening of laughs and learning.

In addition to our chapter educational offerings, NCANN participated in the California Chapters two day conference in April. The conference – "Neonatal Dreaming" - was held in Santa Monica, and was very well attended. NCANN also presented a one-day conference in October. "The Heart of the Matter- Topics in Neonatal Cardiac Care" was held at John Muir Medical Center in Walnut Creek. The program was very well received with a much greater than expected number of attendees.

Plans are already underway for 2010. There will be programs in the spring and fall, and of course the Holiday Gala in December. Our next event is a talk on Hypothermia for Brain Injury at Kaiser Oakland on March 3rd.

We have a newly created website at www.ncann.net. NCANN has moved into the 21st Century with Pay Pal for member renewal. We are re-establishing our newsletter that is to be published at least twice a year. As a sponsor, your support will be recognized in our newsletter and on the website, as well at all events that you support. You may choose the level of sponsorship that suits your needs, from a nominal level for individual events, to corporate level sponsorship that will support events for the entire year.

These past few years have been very exciting for NCANN; our membership continues to grow by leaps and bounds. Our goal for 2010 is to continue to provide meaningful educational offerings to our members. We are very proud of our chapter and recognize that we could not provide the opportunities that we do without your support. We are working to improve communication to our members and sponsors with email reminders and updates.

I know that you have many demands upon your resources, but I hope that you will consider supporting nurses who use your products in the care of our most fragile patients in the NICU. If you have any questions, please email Steve at stevekloman@mac.com or Amy at amparadis@yahoo.com.

Fondly,

Steven Kloman, NCANN President
Amy Paradis, NCANN Past-President

NCANN 2010 Sponsorship Application
